<h1>Atlantis</h1>
<p>I found <i>Atlantis </i> Today! It was Amazing! I saw the <i>Atlanteans</i> but couldn't talk to
them due to their high tech shield that was surrounding the whole city. Cool </p>
<h1>Atlanteans More High Tech Than us</h1>
<p>They have tritons. It is a huge island that is bigger than Libya and Asia put together. They have the
ability to control weather and modify volcanic eruptions. They can also channel energy from time and
space.</p>
<h1>New Creatures</h1>
<p>I saw new creatures, including <i>Aquaman</i> I also saw mermaids and mermen. Even
<i>Poseidon</i> was still alive. It was truly breathtaking.</p>
